## JIGSAW: Supporting Young People Through Exams And Beyond

The Junior Cert and Leaving Cert exams are now in full swing.

Thoughts may be soon turning to next steps and the future.

Worrying about the future can make us feel overwhelmed. Either by the amount of choice, or lack of it.

Being worried about the future is not uncommon. Some people have a very clear map of what road they hope to take. Others are less certain.

If a young person in your life is worried about the future and needs our help, we offer free, text-based, anonymous support to 12-25 year-olds through 1:1 webchats.

Our Jigsaw Chat Live is open

- Monday, Wednesday, and Friday 1 – 4.30 pm
- Tuesdays and Thursdays from 2 – 7.30 pm

We also have lots of resources for young people and their parents/guardians on our website [jigsaw.ie](http://jigsaw.ie)
