Faith for Life

Faith for Life is an adult faith course designed to help you to discover new ways to live out your faith in the reality of today's world, within relationships, family, home, workplaces and the events of daily life. It aims to help you to be more active, open, faithful, confident, trusting and willing to work for change. The course is experienced as a journey of four 'Movements' inviting you to explore the call you received in Baptism. The process for each weekend includes teaching, personal and group reflection, prayer and liturgy.

Participants are required to attend all four weekends. This course has taken place in Dublin Diocese for the past six years and is designed and delivered, through a partnership agreement between the Archdioceses of Dublin and the Archdiocese of Liverpool.

The course will take place again this year starting in October
