

### For the Future!!!!

During this month of May we will need to undertake the formation of liturgical ministers who will preside at a morning liturgy if no priest is available.

As soon as possible it would be very good to have set-up a number of funeral teams. Their function would be to help prepare funeral mass and be present during the funeral service to deal with all eventualities. Some funeral team members would normally accompany the priest to the deceased person's house to organise the details of the Mass with the family.

If you would like to become a liturgical minister or part of the funeral team, please come to see me.
