Parish Webcam

Unfortunately, due to circumstances beyond our control, some people have been experiencing difficulty logging in to our parish webcam, especially at the weekend.
We offer our sincere apologies and would like to assure you that we are doing everything possible to resolve the situation. This is all new to us too.

We understand that not everyone is experiencing these difficulties. Our webcam provider is currently working on these issues and we are in the process of upgrading our Broadband Speed.

We would like to thank you all for your patience and ask you to keep tuning in to our Masses.

If you continue to have any problem with our webcam, please contact Teresa (01-2824085) to let us know, as we depend on your feedback to help resolve the situation.

Hope Half Hour

During lockdown, it is good to look outside of ourselves and give some extra time to God.
To help, we will be broadcasting the first of a series of spiritual talks called the 'Hope Half Hour' on

Friday 30th October at 8pm

These talks will be given by our own parishioners and are designed to give some hope and meaning to life and faith during Covid-19 restrictions. Put the date in your diary.
Continuation of the series will depend on sufficient numbers tuning in.
