**A Prayer For The Church As We Welcome People Back**

*Lord, we thank you for how you have continued to use Your Church amid this season of crisis. No sickness, plague or opposition can put out the light of Your church in this nation or around the globe. Despite physical buildings being shuttered, Your Church is still very much alive and active. We are grateful that the Church has continued to preach the Gospel in this season across livestreams, Facebook feeds, Zoom calls and various other platforms throughout the world. We pray as people return, that generosity would flourish. May churches not only have enough for their present needs, but may they have enough supply to continue to support both their local and global missions. As Churches reopen may those who have been touched by online ministry in this season find their way into deeper Christian community. May each Church continue to be the loving Hands and Feet of Christ in their local communities and the greater world.*

*In Jesus's name we pray  
**Amen.***
