

Parish of Saint Columbanus, Loughlinstown

Feast of St. Columbanus

Tuesday 23rd November is the Feast Day of St. Columbanus

Our Patron Saint was an extraordinary man, in every way. He was deeply religious, dedicated, single minded; God above all else and of course prayer.

Columbanus was intelligent, and a master of language. He was very much at home with Latin. He was exceptionally brave; full of courage in how he dealt with some of the French nobility, who were quite barbaric.

Columbanus was tough! He was a leader who inspired many and his monks showed him great loyalty Robert Schumann, French Foreign Minister and a founding father of the European Community called him "an illustrious Irishman who is the patron Saint of all who now seek to build a united Europe"

Prayer To Christ The King

*Christ Jesus, I acknowledge You to be the King of the universe;
all that has been made has been created for You.*

Exercise over me all Your sovereign rights.

*I hereby renew the promises of my Baptism,
renouncing Satan and all his glamour and works,
and I promise from this moment to lead a truly Christian life.*

*In particular, I commit to bringing about the triumph
of the rights of God and Your Church.*

*Divine Heart of Jesus, I offer You my poor actions
so that every heart may acknowledge Your Sacred Kingly Power.*

*May the Kingdom of Your peace be firmly established
throughout all the earth.*

Amen.
